RE: Supplement to Petition for Waiver filed by The Community Cable Television Agency of  
O'Brien County d/b/a The Community Agency or TCA  
**WC Docket No. 08-71**

Dear Ms. Dortch:

On behalf of The Community Agency ("TCA"), we request the Commission's consideration of the following with respect to TCA's petition for waiver of a universal service fund filing deadline. TCA missed the December 30, 2006, deadline to submit line counts. As stated in the petition, TCA management called USAC as soon as the missed deadline was realized. Management's understanding from that particular conversation, however, was that USAC would not accept a late filing. Therefore, the line count data was not submitted at that time. TCA management has since come to understand that the line counts should have been submitted in a good faith effort to remedy the error.

This letter is written to supplement TCA's petition and notify the Commission that the line count data at issue has been submitted to USAC. Further, after the deadline was missed, TCA hired an outside consultant. Together, TCA and its consultant have established safeguards to ensure that future deadlines are met.

We respectfully request that the Commission consider this additional information as it evaluates TCA's petition for waiver. Thank you.

Sincerely,

Cindy Grosvenor  
Consultant for The Community Agency
